DEPARTMENT OF COMPUTER SCIENCE

PRESENTS

23rd INTERCOLLEGIATE

NATIONAL LEVEL POSTGRADUATE IT FEST

SEPTEMBER 18 – 19, 2019

ABOUT CHRIST

CHRIST (Deemed to be University) was born out of the educational vision of St Kuriakose Elias Chavara, an educationalist and social reformer of the nineteenth century in South India. He founded the first Catholic indigenous congregation, Carmelites of Mary Immaculate (CMI), in 1831 which administers CHRIST (Deemed to be University).

Established in 1969 as Christ College, it undertook path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff. The University Grants Commission (UGC) of India conferred Autonomy to Christ College in 2004 and identified it as an Institution with Potential for Excellence in 2006. In 2008 under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development of the Government of India, declared the institution a Deemed to be University, in the name and style of Christ University. One of the first institutions in India to be accredited in 1998 by the NAAC, and subsequently in 2004 and 2016, CHRIST (Deemed to be University) has the top grade 'A' in the 4-point scale.

The multi-disciplinary University which focuses on teaching research and service offers Bachelors to Doctoral programmes in humanities, social sciences, science, commerce, management, engineering, education, and law to over 21000 students. The campus is a living example for the harmonious multiculturalism with students from all the states of India and around 60 different countries. CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published more than 300 books in Kannada and English. A promoter of sports, music and literary activities, it is a nurturing ground for creative excellence.

GATEWAYS

Gateways is the National level Intercollegiate Post Graduate IT fest, organized by the Department of Computer Science, CHRIST (Deemed to be University). It provides the much needed exposure which is a prerequisite to survive in the IT industry. Participants from different colleges take part in various technical and non-technical events that offer entertainment and intellectual challenges. Gateways provides a platform to the participant where they experience essential aspects of the IT Industry. We are jubilant to invite you for the 23rd version of Gateways, which continues to benefit the students in developing their organizational and soft skills and to showcase their talents.

ANIMOTRONIX

Animotronix, based on animatronics, which is the art of breathing life into inanimate objects, brings focus to an era of computing where technology not only functions, but also behaves. Humanity today is capable of making machines learn, think, interact, observe and mirror human intelligence to an extensive scale.

Gateways 2019 theme celebrates this aspect of computing as an art form.

Red Hat

Presents

The Grand Hackathon

Undergo the drill to experience
the hacker spirit.

Participants: 3

Cash Prizes: Rs. 50,000/-

Code Scrub

Coding & Debugging

Found Bug; code it out

Participants: 2

Mobile Legends

App Development

Problem Struck, devise an app;
the solution.

Participants: 2

The voice of Animotronix

IT Manager

Relay the work to reach the finish line.

Participants: 1

Quiz -o- mania

IT - Quiz

Hone your memory to ans

Participants: 2
